

**SUPERVAULT MH
LIMITED WARRANTY
MULTI-HAZARD RATED PROTECTED
ABOVEGROUND FUEL STORAGE TANKS
for FLAMMABLE and COMBUSTIBLE LIQUIDS**

Manufacturer warrants, to the original Tank Owner at the original installation site, its *SuperVault MH* protected aboveground fuel storage tanks against defects in materials and workmanship for a period of thirty (30) years from the date of purchase when installed and operated in accordance with local, state, and federal regulations and in accordance with Manufacturer's published instructions and markings. *SuperVault MH* is designed exclusively for the aboveground storage at ambient temperatures of uncontaminated products as follows: gasoline, gasohol, jet fuel, av-gas, kerosene, diesel fuel, new or used motor oil, 100% ethanol, 100% methanol, or anti-freeze.

This warranty does not cover damage resulting from accident, misuse, abuse, acts of God, failure to perform reasonable care, repairs and/or modifications made by non-authorized* persons, or the affixing or attachment of any unauthorized* fixture or equipment to the tank. This warranty is limited to the materials and workmanship of the tank only and does not warrant the protective coatings, decals, signs, vents, or any hardware or equipment installed on or used with the tank. To maintain this warranty, the owner must conduct visual inspections for leaks at least once a week, and keep a written record of these inspections or in the case of remote installations on a schedule preapproved by the manufacturer. Tank Owner is to immediately notify the Reseller of any deficiencies encountered in the tank.

Manufacturer's liability under this warranty shall be limited to, at the Manufacturer's option, (a) repair of the defective tank, or (b) delivery of a replacement tank to the original point of sale, or (c) refund of the original purchase price of the tank. Manufacturer is not responsible or liable for special, incidental, or consequential damages of any kind of for costs due to loss of use, or unauthorized* removal, repair, or replacement.

This warranty may be transferred at the manufacturers sole discretion. All warranty transfers must be preapproved in writing by the manufacturer.

*All authorizations must be in writing from the Manufacturer to the Tank Owner.

**THE FOREGOING CONSTITUTES THE MANUFACTURER'S TOTAL AND EXCLUSIVE
OBLIGATION AND TANK OWNER'S EXCLUSIVE REMEDY AND MANUFACTURER MAKES
NO OTHER EXPRESS OR IMPLIED WARRANTIES INCLUDING ANY WARRANTY OF
MERCHANTABILITY OR FITNESS FOR ANY SPECIFIC PURPOSE.**
